"At Urban Prep, we have a 100% college acceptance rate. Working with Revolution Prep has really helped Urban Prep prepare our students for the ACT and provide them with the guidance they need in order to score the highest they can possibly score ...

Revolution Prep has generously come into our school to help support our students as they take that long march to college and has been tremendously important to us. In fact, the success that we're having at Urban Prep could not be possible were it not for the good people at Revolution Prep."

-Tim King, President & CEO, Urban Prep,
a public school for African-American males,
Chicago, IL
